

CAST MACHINE FILM

- *Best-selling, high-performance one-sided cling cast machine film.*
- *Engineered for high-speed applications.*
- *Can be used in a variety of wrapping applications including A, B, and C loads.*
- *One-sided cling allows side-by-side storage without pallet-to-pallet adhesion, preventing pallets from adhering together during storage and transportation.*
- *Applications include: bagged and boxed products, fully automatic equipment, bundling applications, high-speed overhead equipment, loads requiring one-sided cling and film clarity, A, B, and C-load profiles, inboard/outboard loads, distribution center mixed pallets, light to heavy weight containers.*
- *100% Recyclable.*
