

**CAST HAND FILM**

- High performance, one-sided cling cast hand film.
- Engineered to "lock up" at 75% stretch for easy application, optimization, and strong load containment.
- High clarity and easy unwind hand film.
- One-sided cling allows side-by-side storage without pallet-to-pallet adhesion, preventing pallets from adhering together during storage and transportation.
- High puncture resistance.
- 100% Recyclable.
